

LMK-03

The AG Neovo LMK-03 adjustable tilting wall mount ensures large format displays up to 100kg safely displayed in any public or commercial environments.

The LMK-03 is an easy to install fixed wall mount, fitting displays with VESA mounting patterns from 75x150mm to 800x500mm. The ability of tilt function from 0 ~ -15 degrees provides more comfortable viewing angles. Its 0.75mm ultra slim profile between the display and the wall, lateral shift, and the added protection of both safety lock and anti-theft lock make the LMK-03 an ideal design for any commercial or public places applications.

- > Quick and intuitive installation
- > Flexible tilting for better viewing experience
- > Safety lock and anti-theft lock included
- > Tilt up and down from 0° to -15° *
- > VESA standard design
- > Support up to 100 kg (220 lbs)
